Subject: All about me

Dear Beatriz

I am Alexander Robertson. I am from Scotland and I'm 13 years old. I am in year 7.

I have a sister Margaret and she is 7. I live in a small village outside Edinburgh.

My house is big and very nice.

My favourite subjects are maths and history. My favourite sport is football and my favourite player is Cristiano Ronaldo. My favourite singer is Adele. She is super!

What about you? Where do you live? How old are you? What year are you in? Have you got any brothers or sisters? What are your favourite school subjects? Who is your favourite singer? And what is your favourite sport?

Please write back soon.

Alexander
