A conceptual image showing a standard incandescent light bulb being completely covered by a thick, vibrant red liquid. The liquid is dripping from the top of the frame, forming a large pool above the bulb, and then cascades down to envelop the bulb itself. The bulb's glass is now a solid red color, with the filament visible through a circular opening at the bottom. The base of the bulb, with its metal threads, remains visible on the left. The background is a plain, light gray.

E NA APRENDIZAGEM?

**CHAPÉU
COM TOD@S**

**“DIVERS
idades”**

A close-up photograph of a green, ribbed cactus with numerous sharp, light-colored spines. The cactus is positioned vertically and occupies the central portion of the frame. The background is a solid, vibrant teal color. Overlaid on the cactus is the word "FRAGILIDADES" in a bold, white, sans-serif font.

FRAGILIDADES

MOMENTOS “DESPERTADOR”

A vibrant watermelon slice is shown with a dynamic splash of water erupting from its center. The watermelon's green rind and white flesh with dark seeds are clearly visible. The background is a soft, light blue gradient.
